General and Revenue
Secretariat.

Edu File No. 12 of 1916.

Serial
No.

25

From the above statement it will be seen that the additional cost involved amounts to Rs. 16684. If the Dt. Bd. agree to bear half the cost of the District stipends viz. Rs. 8832 even then, the add. cost amounts to Rs. 7852. In several places the Educ. Council have recomd. that the schps are to be for 12 months, but whenever B.A. course is involved the schp. has to run over 36 months and calculation in the above statement is made based on the presumption that the schps. are to exist for 36 months. The value of the Dt. stipends as proposed is ~~not~~ prop. very large.

To Submd. for orders.

8p

2.86

25.1.17.

~~In my opinion~~ We are already spending a very large amount of money for the university scholarship viz Rs 14000. In addition to this it is proposed to spend Rs 10000 to 20000

for University scholarships for
the backward classes - I would
therefore suggest that the number
be readjusted as far as possible
so as not to exceed the amount
now spent on scholarships exclusive
of that for the backward classes
The principle of
making a distinction between
merit scholarships and stipends
in case of poverty is a sound
one & may be adopted

I do not also see
the necessity to increase the
number of freships to $33\frac{1}{3}\%$ & c
nor to award scholarships
to every girl entering the
University -

may be considered
at a meeting of Council

Extract from the Proceedings of the.....^{423rd}.....Meeting of the Council
of His Highness the Maharaja, held at.....^{Bangalore,}.....
on the.....^{12th July}.....19 ¹⁷.

Subject.-Clause viii of the Schedule.

Revised scheme of University Scholarships.

OPINION OF THE COUNCIL.

The proposals of the University Council may be approved for a year.

If the District Boards agree, contribution towards the cost of scholarships up to a limit of Rs.8,000 may be levied from them.

The number of freeships may be increased from 20 per cent. to 33 1/3 per cent.

The Second Member does not agree to the raising of the per centage for the award of free-ships.

Extraordinary Member agrees with the Second Member.

Sd. M. Visvesvaraya,

Dewan of Mysore.

"EXTRACT"

Due 17/7
Secretary to Government,
General Department.

113 ¹⁵

Submitted to His Highness.

61
T
I submit herewith papers relating to the recommendation of the University regarding the allotment and distribution of scholarships for the University students. The proposals are contained in the Registrar's letter^x dated 8th January 1917.

62
2. It is very important that an adequate number of under-graduates should be maintained in the University and that each district in the State should contribute to this number. The present number of young men who pass out of our Colleges is barely sufficient to meet the needs and requirements of the Government service.

3. Government now spend a sum of about Rs.14,000 on account of scholarships in Colleges. This sum will be utilised by readjustment as proposed in the Registrar's letter. An important feature of the scheme is the institution of District Scholarships, so as to enable a larger number of students from the mofussil to take advantage of University Education. It is proposed to meet half the cost of these scholarships amounting to nearly Rs.9,000 by contribution to be made by the District Boards and other local bodies.

Page 12 of 15
4. The matter was considered in Council who are of opinion that the proposals of the University may be approved for one year.

5. If the District Boards agree a contribution towards the cost of scholarships up to a limit of Rs. 8,000 may be levied from them.

46
6. As regards the proposal of the University to increase the number of free-studentships from 20 per cent to 33 1/3 per cent, the Extraordinary Member and the Second Member consider that it is not necessary to

Office of the Registrar, Mysore University,

Mysore dated, 27th July 1916.

DIARY No. 541

From,

T. Denham, Esquire, M.A.

Registrar, Mysore University,

M y s o r e

To,

P.G.D'Souza, Esq., B.A., B.L.,

Secretary to the Government of H.H. the Maharaja of
Mysore, Departments of Education & Agriculture,

B a n g a l o r e.

Sir,

I have the honour to request that you will be good enough to bring to the notice of Government immediately the following points in connection with the award of scholarships, at the Maharaja's College. The matter is very urgent, as no scholarships can be announced, nor fees collected until a decision has been arrived at with regard to the points under discussion.

1. Most of the present Honours men joined the class for a three year's course after passing the Intermediate Examination. Government gave no separate scholarships to such men, and they were accordingly given their share of the ordinary College scholarships. But these latter are for two years, while the Honours course is for three years. It becomes necessary therefore that the scholarships and freeships of the 3rd year's Honours men should be continued for this year and again for 1917-18 after which the Honours course will be discontinued. A sum of Rs.280/- and one Freeship may be sanctioned for this purpose for 1916-17, and a sum of Rs.180/- for 1917-18.

1916-17
Spec. Sch 15/0 120/-
1/2 Spec Sch 5/0 40/-
2 Sen' Sch 7/8 120/-
1 Freeship 280/-
1917-18
Spec. Sch 15/0 120/-
Sen Sch 7/8 60/-
1 Freeship 180/-

17 ²⁰

One Honours student holds a Shimoga scholarship and this may be extended for one year, 1917-18. Unless Government is pleased to sanction these ^{Expenses} ~~expenses~~, very considerable hardship will be incurred by the Honours men. The same difficulty does not arise at the Central College, because at that institution only graduates are admitted to the Honours course of two years.

2. It is necessary that the whole question of the scholarships which are to obtain in the Mysore University should be expeditiously settled, as the 2nd year's class has been formed, and fees cannot be levied until the question of scholarships and freeships has been settled. It may be considered desirable to grant only freeships, not scholarships, in the Mysore University and the numbers of such to be a percentage of the total number of students attending each class, perhaps 33% as was suggested in the Draft Scheme. But there is the case of students in the 2nd year's course who were holders of scholarships in the Intermediate Arts classes. It seems only right that their scholarships should be continued for the next two years. Anomalies of this kind will disappear in two years when the transition period will be over. It may be added that the scholarships and freeships of the late Junior B.A. class are available for the purposes of the 2nd year's course and it is suggested that these be made available during the period of transition.

3. The particular case of Mr. C. Subba Rao a third year Honours man has to be considered. He obtained a special scholarship for passing high in the Intermediate Arts Examination. It was granted under the old regulations, for 2 years only, but the Honours course for passed Intermediate men is three years, and therefore

his

18/2

his scholarship lapses. I would respectfully urge that the principle ~~sh~~ought for in para (1) may be admitted also in this case. Further, as three men who passed in the First class of the Intermediate Examination were - bracketted, the scholarship of Rs.15/- was divided ---- between them, viz., Rs.5/- each. Two of these part --- scholarships were awarded to two Central College men, - who have now completed their B.A. course. It is there- fore suggested that C. Subba Rao's scholarship may now be raised to Rs.10/- for his remaining year in the ---- Honours Course. Rs.5/- of this has been included under (1). So that the additional expense will be Rs.5 X 8 Rs.

240 for the year 1916-17. It may be mentioned that C. Subba Rao has been really penalised for the last two years, because an ordinary College Scholarship amounts to Rs.7-8- and is awarded irrespective of place in the University Intermediate Examination. C. Subba Rao obtained a --- First class in that Examination and enjoyed only Rs.5/- part of a special scholarship.

The Points for decision are:-

1. That the Government may be pleased to extend for 1 year the scholarships of the Honours - men.
2. That the scholarships and freeships of the - Junior B.A. class, now non-existent may be - immediately transferred to the present 2nd year class of the Mysore University, and that as soon as convenient the whole question of - scholarships for the Mysore University may - be settled.
3. That the special scholarship awarded to C. - Subba Rao may be raised from Rs.5/- to Rs.10/-.

This may

SERIAL No. 89
Mysore

FROM

THOS. DENHAM, Esq., M.A.,

Registrar, Mysore University,

To

P.G. D'Souza, Esq., B.A., M.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Departments of Education & Agriculture,

B A N G A L O R E.

Sir,

With reference to para 2 of Government Order No. 1198-10/Edn.12-16-24 dated the 2nd August 1916 and subsequent reminders calling for the proposals of the University Council in regard to the question of scholarships under the Mysore University, I am directed to state that the notes prepared by

 1. Mr. Thos. Denham, M.A.
 2. Mr. C. R. Reddy, M.A.
 3. Mr. J.G. TAIT, M.A.
 4. The Vice-Chancellor.

 the marginally noted gentlemen in the matter were circulated to the members of the Council and that the question was thereafter discussed at the meeting of the Council held on the 16th ultimo.

2. It was resolved that the scheme as outlined below be sent up to Government:-

(1) That the Scholarships of Rs.10/- (for 12 months) which are being awarded to the first five candidates in the School Final Examination be continued as merit scholarships and be awarded to the Entrance classes for one year at Rs.10/- a month for 12 months.

(2) That the first five Merit scholarships of Rs.10/- a month for 12 months which are being awarded to the first five candidates who pass in the First class in the Intermediate Arts Examination of the Madras University be fixed at Rs.12/- a month for 12 months and be awarded on the result of the University Entrance Examination.

(3) That the present Honours scholarships to students studying outside the state be abolished and that the amount spent on them be distributed into scholarships of Rs.12/- (for 12 months) and given to both colleges (the Central and the Maharaja's College) in equal shares for particular subjects according to merit.

(4) That District Scholarships now awarded to students passing from Local High Schools to be hereafter styled District Stipends and given on merit (or merit and need) and distributed by Districts as hereunder:-

4 stipends of Rs.10/- each (for 12 months) in each District to be awarded by a committee consisting of the Deputy Commissioner (President), the Head-Master of the High School, a non-official nominee of Local Boards and the District Inspector of Education.

The awards to be 2 for Science, 1 for Arts and 1 for Engineering or other course under the University. The stipends may be Rs.10/- for the Entrance Course under the University and Rs.12/- for the B.A. course.

The District Board and Municipalities to pay one half of the expenditure, the other half being borne by Government.

(5) That the scholarships at present being awarded to students passing from the Shimoga High School (known as Shimoga scholarships) be abolished as such and converted into Special District Stipends. 20 of such stipends (of Rs.5/- each

for 12 months) to be instituted and awarded at 8 for the Shimoga District and 4 for each district, Hassan, Kadur and Chitaldrug.

(6) That all scholarship holders be taken as free students, and that inclusive of them, free studentships be fixed at 33 per cent of the number of students in each class according to ordinance 71.

(7) That the Mahomedan and Pollegar scholarships now awarded by the Inspector-General of Education be continued as at present.

(8) That for a period of 5 years, all lady students in the colleges to receive scholarships at Rs.20/- a month for 12 months, in addition to being free students.

(9) And lastly that all scholarships awarded under rule (3) supra to be given for one year at a time.

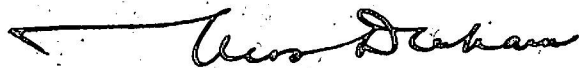

Copies of notes by the Registrar, Mr. C.R.Reddy, Mr. J.G. Tait and the Vice-Chancellor together with a copy of the Council's Resolution are enclosed for reference.

3. I am to request that in case these proposals are acceptable to Government, the aggregate amount of the several scholarships other than the Mahomedan and Pollegar scholarships may be included in the annual grant for the University.

I have the honour to be,

Sir,

Your most obedient servant,

Registrar.

28 24

Copy of letter No.236 dated the 7th November 1916
from the Principal, Central College, Bangalore, to the
Registrar, Mysore University, Mysore.

With reference to your letter No.1053 dated 26th
October 1916 I have the honour to state that the scholar-
ships of the present Senior B.A., 2nd Year B.A., and
Senior Intermediate Classes will suffice for the three
University Classes.

The Special Scholarships hitherto awarded on the
results of the Intermediate Examination of the Madras
University may henceforward be awarded on the results
of the Mysore University Entrance Examination. Government
may be requested to place a certain number of ~~Muhammadian~~
scholarships at the disposal of the Mysore University Council.

Sd/- J.G. Tait.

25 29

Copy of D.O. No.361 dated 30th August 1916 from the Principal, Maharaja's College, Mysore, to the Registrar, Mysore University. Mysore.

The question of scholarships or other aids to students is bound up with larger questions of educational policy, a field into which I cannot enter fully for obvious reasons. Perhaps I may be allowed to say that while I sympathise fully with the endeavours made to enable even the poorest students to prosecute higher studies, I cannot be blind to the unfavourable effects produced by the presence of a large number of needy students on the tone and life of the college. Some of the developments which the draft scheme prepared by you contemplated would become well-nigh impossible under a lavish system of freeships and scholarships bestowed on the score of poverty. The college might be run of course as a poor boys' institution, but then the other ambitions entertained will have to be given up. Some of the de-moralising effects of Relief scholarships on a large scale may be just mentioned:-No clear line of distinction is drawn between scholarships awarded for merit and those awarded primarily as a relief measure; and the result is that people go about calling themselves scholars who have very little title for that description. This affects the credit both of the ^{real} scholar and the institution. It is not possible for us to gauge the measure of poverty that each applicant professes to suffer from; and all the candidates profess to suffer from very serious poverty! The temptation is strong and truthful narration relatively weak. Some students seem to feel that withholding the payment of fees and running up arrears would be treated as a convincing sign of poverty. To my mind, relief scholarships are more a matter for Municipalities, District Boards, and other local government centres than for the college except in very special cases. The present system and the one recommended by the University Committee are, in my opinion, ruinous to the possibility of creating a healthier, more vigorous, and manlier academic atmosphere.

So far as relief goes, as I have said, it must be treated primarily as a concern of local government agencies. We might urge directly and through the government on them the necessity of giving what are known in foreign countries as Loan--scholarships--scholarships to be recovered later on by easy instalments--which will have the effect of toning up the character of the students and discouraging pauperism. After all, as you know, the aim of charity should be to eliminate itself. It must help to tide over a crisis and must never become a substitute or preventive of self-help.

In special cases the colleges too might give a Loan-scholarships. But it would be better if this function is reserved for Local Boards and Municipalities.

A few scholarships not more than five in number may be awarded in the Fresh-men class as a measure of relief. But as in some foreign Universities these should be given on the results of a competitive examination held between those who are eligible to apply for such scholarships. This at once secures an efficient spending of the money. At present in too many cases where relief scholarships are given without much consideration of merit, many of the scholars do very little to justify the expenditure incurred on their behalf. The money given to them is just money thrown away. And in regard to these five scholarships I would give a fairly handsome amount so that the boys may be enabled to take their full part in the general life of the college unhampered by stringency of the pocket. I think such a restriction as the one here proposed is in the best interests both of the college and of the public life in a country generally.

If the views set forth above are accepted, I would submit the following general scheme:--

I. Merit Scholarships: 18 in all; three of the value of Rs.10/-per mensem, five of the value of Rs.7-8-0 per mensem, ten of the value of Rs.5/-per mensem, to be awarded for English, Sanskrit, Philosophy, History, Economics and Politics, and general efficiency.

three for each. Specially brilliant students will be given promotion from a lower grade to a higher grade scholarship. These scholarships may be known as I grade, II grade, and III grade scholarships respectively. It is important that scholarships should in future be given in the different subjects since in the Mysore University scheme the optional groups play the leading part. In case Kanarese and Teulugu are supposed to be equally worthy of consideration, a few more scholarships may be added to the III grade.

Relief scholarships: five in the Fresh-men class (rising to 15 in all on a 3 year basis) of the value of Rs.7-8-0 each to be awarded on the result of a competitive examination to be held before the opening of the college (or on the results of the entrance examination.)

No freeships or half-freeships will be allowed under this scheme.

The scholarships now awarded by Government for the encouragement of learning amongst the backward classes and women will remain as they are. But here again merit should be taken into consideration as otherwise in many cases the money spent is but wasted.

II. In case the above scheme does not commend itself to the Council, I beg to propose the following as an alternative based on principles now in vogue.

(a) I would retain the Merit Scholarships mentioned above and would designate scholarships given for relief of poverty by some other name so as to preserve a distinction which is both logical and desirable.

(b) Stipends of the value of Rs.4/-each may be given in a few cases on the results of a competitive examination or other test.

(c) Freeships to the extent of one-fourth of the strength of the class may be instituted.

Some general rules:-

(a) All scholarships and stipends shall involve exemption from payment of fees.

(b) and be tenable for eight months.

(c) All scholarships, stipends, and freeships shall be subject

28 32

subject to annual revision.

(d) No student could hold more than two merit scholarships or combine a merit with a relief scholarship.

The question of scholarships for the M.A. class may be dealt with later.

I may add that though I am responsible for the views given ~~above~~ here, I had a consultation with Professors and Assistant Professors of the College and I am much indebted to them for the assistance they kindly afforded in the consideration of this subject. All the staff are unanimous about two things:

(a) the necessity of distinguishing between Merit and Relief Scholarships, and (b) of awarding scholarships in the separate branches of study. There was a difference of opinion in regard to the general policy, Mr. Mackintosh and myself being generally in favour of a smaller number of scholarships and other aids and the rest in favour of a more generous scheme. No vote was taken and so I must guard myself by saying that I am expressing only my impression of what occurred at the meeting.

At present the fee collection hardly amounts to the full pay of a Professor of superior grade. In the Honours Class all but two students are in the enjoyment of either scholarships or free-ships. It may not be quite an evil if fees are altogether abolished; for the income derived from this source bears such a small proportion to the entire expense of the institution. A statement showing the amount of loss involved to Government by the present system and the systems here proposed is attached.

Statement showing the loss to Government involved by the
Present system of Scholarships and freeships.

Class	Kind of Scholar -ship or Free- ship.	No.	Amount per mensem Rs.	Amount per year Rs.	Loss of fees per year Rs.
B.A. Honours	Special Sch.	2	15	240	120
	Special Sch.	1	10	80	60
	Senior Sch.	2	7½	120	120
	Shimoga Sch.	1	7½	60	60
	Free	2	-	-	120

NOTE OF SCHOLARSHIPS AND FREESHIPS.

New Scheme of Scholarships etc., required for the Mysore University:- Government has more than once drawn attention to the importance of the subject and wishes the Council immediately to systematise the whole question of scholarships.

(Government Order No. 1108-10/Edn. 12-16-24. Dated 2-8-1916.)

PRESENT SYSTEM.

DIFFERENT kinds of SCHOLARSHIPS.

SPECIAL SCHOLARSHIPS.

(a) First five candidates in the School Final Examination awarded scholarships of Rs. 10 /- (or Rs. 15/- for 8 months) for two years and free of fees without reference to circumstances of the candidates. For study in the Intermediate Classes of the two State Colleges now partly appropriated for the first year by the Collegiate High School Classes, the Junior Intermediate Arts Class being continued at the Central College.

(b) First 5 candidates in the First Class Intermediate Arts Examination of Rs. 10/- (or Rs. 15/- for 8 months) for two years and free of fees without references to domestic circumstances.

HONOURS & LOGIC & PSYCHOLOGY SCHOLARSHIPS.

When there was no provision for the above, Government instituted four scholarships of Rs. 25/- to send students to Madras. Since added two more. But as these subjects are being increasingly provided for by the State Colleges and the University.

32 36

Government have suggested reducing these scholarships. The Inspector-General of Education has submitted to the Council a list of applicants for such scholarships this year & for their opinion - and these scholarships may be still further reduced or entirely abolished - except perhaps in the case of graduates for whom the Mysore M.A. Course is not yet available, while the First year Honours (Madras) graduates course has been dropped. The case of the Intermediate applicants need not be considered as they are taking up subjects in Madras for which provision is made in Mysore.

N O T E:- There are no Honours Scholarships, as such in the two Colleges. But the Honours men have generally done well in the Intermediate Arts Examination some taking Firsts, and these have in some cases, failing Special Scholarships, received ordinary (College) scholarships - not Honours scholarships.

COLLEGE & DISTRICT SCHOLARSHIPS & FREESHIPS.

<u>No.</u> <u>Total.</u>	<u>Senior Schp.</u> <u>Total.</u>	<u>Junior Schp.</u> <u>Total.</u>	<u>Freeship.</u> <u>Total.</u>
86	44	42	69

DISTRIBUTED THUS:-

(1) CENTRAL COLLEGE.

	<u>Senior Schp.</u>	<u>Junior Schp.</u>	<u>Freeships.</u>
Intermediate Arts.	14	16	18
Second Year University. ..	3	5	9
Senior B.A. ..	3	5	9
	-----	-----	-----
	20	26	36

Total Loss to Government Rs.4656/-

(2) MAHARAJA'S COLLEGE.

	<u>Senior Schp.</u>	<u>Junior Schp.</u>	<u>Freeships.</u>
Intermediate Arts.	16	12	18

	<u>Senior Schp.</u>	<u>Junior Schp.</u>	<u>Freeships.</u>
2nd Year Mysore University Class } Senior B.A. }	6	6	12
Honours Class	-	-	3
	-----	-----	-----
	22	18	33
	-----	-----	-----

Total Loss to Government Rs.4688/-

The award of these is left largely to the discretion of the two Principals. But the following restrictions and principles influence the award:-

1. A certain number must go to District students and as far as possible each District School has its proportionate share.
2. Poverty is the main determining factor in distributing the scholarships. This is a very difficult matter to manage and it is often impossible to get at real facts.
3. Merit is also a determining factor as gauged by the different examinations.
4. It is understood that the continuance of a scholarship depends on progress and good conduct. The holder may be degraded a step or two or be deprived altogether. The principal takes all circumstances into consideration.

FREESHIPS & HALF FREESHIPS.

These are awarded on the same principles as those which govern the award of scholarships. The Half-Freeships are a comparatively recent innovation. Owing to the increased number of applicants due to the increase in the strength of the classes, Government permitted the halving of Freeships. It is a grievance that there is

is no proportion between the number of freeships and the strength of the classes (as is the case in the schools). The classes are four times the size of the classes six years ago, but the number of Freeships remains the same. Hence the necessity for Half-Freeships.

MALNAD -> SCHOLARSHIPS.

There are no Malnad scholarships. Government is anxious to encourage students from Malnad districts. But Malnad students get their shares of District scholarships.

THE SHIMOGA SCHOLARSHIP.

The Shimoga scholarships have nothing to do with the Malnad scholarships, though Shimoga is Malnad District. The Shimoga scholarships were instituted when the Shimoga 2nd Grade College was abolished, and are strictly awarded only to students who have passed successfully through the High School course at Shimoga. 12 scholarships at Rs.5/- each. Total Rs.720/-.

As representing a Malnad district, these scholarships may be justified; but the question of their continuance as Shimoga District scholarship proper may be considered on account of the time which has elapsed since the abolition of the Second Grade College.

MAHAMODAN SCHOLARSHIPS & HALF-FREESHIPS.

For the encouragement of Mahamoden education a large number of scholarships are awarded by Government. Free tuition accompanies such scholarships. All Mahamoden students who do not hold scholarships are given the privilege of paying half-fees only.

The number of scholarships is not fixed.

35/39

MAHARAJA'S COLLEGE 1916-17.

1 Scholarship @ Rs.7/-

7 Scholarships @ Rs.4/-

Total Rs.420/-

Total loss of fees is Rs.444/-

CENTRAL COLLEGE.

1 Scholarship @ Rs.7/-

1 Scholarship @ Rs.4/-

132/-

The total loss of fees is roughly Rs.200/-

W O M E N.

No scholarships are definitely set aside for women students. Each case is considered by itself.

In the Maharaja's College there are 3 women students.

one at Rs.25/- for 12 months

one at Rs.20/- for 12 months. One is reading in the Second year Mysore University Class not awarded as yet. Approximate loss in fees is Rs.180/-.

In the Central College there is one lady student at Rs.20/- per month for 12 months : Rs.240/-.
Approximate loss in fees is Rs.60/-.

P A L L E G A R.

Lumpsum Rs.840/- allotted when claimed by qualified applicants.

ENGINEERING, MEDICAL, ALIGARH, TECHNICAL, FOREIGN
SCHOLARSHIPS.

These scholarships are awarded by Government for students outside the State.

SUGGESTIONS FOR A NEW SCHEME OF SCHOLARSHIPS &C.

Suggestions for a new scheme of scholarships were asked for from the two Principals. The Principal, Central College, is of opinion that the present system may continue, but he suggests that a number of Mahamedan scholarships may be made available for the University. The Offg: Principal, Maharaja's College, has sent in certain suggestions. He recommends the following important principles for the new scheme.

(1) The award of Merit Scholarships, pure and simple, without regard to the circumstances of the students (as in the case of the scholarships awarded by Government to successful School Final and Intermediate Arts Candidates).

Merit to be ascertained either by a special competitive Examination or (preferably) on the results of the Entrance Examination.

(2) The award of scholarships to approved necessitous students, preference being given according to the results of the the Entrance Examination.

(3) A careful distinction (by name) between merit and necessitous scholarships. (It is suggested that the merit scholarships may be known as Scholarships, and the others as Exhibitions).

(4) The award of the necessitous scholarships to be by local authorities, e.g. the Head Master, who must be a better judge of the claims of the applicants than the Principals of the Colleges.

(Practically the same views have been brought to the notice of Government from time to time and a favourable opportunity for their discussion, and acceptance it is hoped, is afforded by the request of Government that Council should devise a scheme of Scholarships for the University.

LDO.

Registrar.

91
37

Note on Scholarships by Vice Chancellor.

I think there is a necessity to institute District Scholarships, to be awarded by Districts.

I would begin with 4 scholarships of Rs.10/- each to be awarded on merit (or merit and need) by a Committee of Deputy Commissioner (President) Head Master of High School, a non-official nominee of Local Boards and Educational Inspector.

The awards should be 2 for Science, 1 for Arts and 1 for Engineering or other Course under the University. It may be Rs.10/- for 1st or Entrance year and Rs.12/- for the B.A. years. Each scholarship will be worth 10 plus 12 X 3 or Rs.46/- per mensem or 46 X 12 : Rs.552/-, for the whole period of 4 years. 4 Scholarships would be Rs.2208. If the District Boards and Municipalities pay half of this, the other half may be given by Government. In addition to this, Government will have to bear the fees, which in accordance with the general rule will be excused.

For eight districts, there will be an expenditure ^{of} 8 X 2208 or Rs.17,664 of which Government will have to bear Rs.8832/- and Municipalities and Local Boards Rs.8832/-. About Rs.1000 to be borne every year by both these bodies will not be a heavy burden for any district.

If the local bodies would instead of contributing the money from their revenues, raise it from private subscriptions, Government may recognise that as sufficient and contribute its share as described above.

Some such increase of scholarships is necessary if we are to have a sufficiently large number of scholars for our University; as the present number of those who resort to the higher

42
38

branches of learning is barely sufficient for the demands of the State, and for the various new branches of the University which we have in contemplation.

Thos Deaneham

Registrar.

Jms

43
39

SCHOLARSHIPS.

1. The Merit Scholarships (First five in School Final) to be continued and awarded in Entrance Classes for one year.
2. Five to be awarded on results of Entrance Examination and to be continued for three years, provided progress is maintained.
3. Honours Scholarships to students going outside to be abolished. The amount may be distributed into scholarships of Rs.15/- and given to both Colleges in equal shares for particular subjects according to merit.
4. District &c., scholarships may be given for needy circumstances and distributed by Districts.
5. Shimoga Scholarships to be abolished as such & converted into Scholarships for backward Districts. 20 Scholarships at Rs.5/- may be awarded - 8 for Shimoga and 4 for each District Hassan, Kadur and Chitaldrug.
6. Freeships to be fixed at 33 per cent according to our New Scheme. Half-freeships perhaps to be abolished.
7. Mahomedan and Pallegar Scholarships &c., to be continued as at present.
8. For women :-

Six or Eight for Entrance Class of Maharani's College at Rs.15/- or Rs.20/-

The same number (not less than Rs.20/-) to be continued - four in each College.

Mr. Reddy's suggestions may be adopted, except

94
40

- 2 -

that Scholarships when held in Colleges (rule 4) may be awarded by College authorities on recommendation of Head Masters for First Year students.

Mahomedan Scholarships may be placed at the disposal of Council when awarded to students in Colleges.

The Scholarships to be awarded in Colleges by Principals in consultation with the Professors.

The award of cancellation to be subject to revision by University Council.

16th November 1916.

Extract from the proceedings of the meeting of the
University Council held on the 16th December 1918.

VIII. THE SCHEME OF SCHOLARSHIPS UNDER THE MYSORE UNIVERSITY.

Resolved that the proposals as hereunder be sent u
to Government:-

(1) The merit scholarships (first five in School Final
to be continued and awarded in Entrance classes for one
year at Rs.10/- a month for 12 months.

(2) Five merit scholarships at Rs.12/- a month (for 12
months) to be awarded on the results of the Entrance
Examination.

(3) Honours scholarships to students going outside the
State to be abolished, the amount to be distributed into
scholarships of Rs.12/- (for 12 months) and given to both
colleges in equal shares for particular subjects according
to merit.

(4) District scholarships (to be hereafter styled District
Stipends) to be awarded on merit or merit and need and dis-
tributed by districts as hereunder:-

4 stipends of Rs.10/- each (for 12 months) to be awarded
by a committee of Deputy Commissioner (President), Head Master
of High School, a non-official nominee of Local Boards and
Education Inspector.

The awards to be 2 for Science, 1 for Arts and 1 for
Engineering or other course under the University. The
stipends may be Rs.10/- for the Entrance course and Rs.12/-
for the B.A. course.

The District Board and Municipalities to pay one-half
and Government the other half.

The above proposals are with respect to each district.

(5) Shimoga scholarships to be abolished as such ^{and} converted
into Special District Stipends. 20 stipends of Rs.5/- each

46
42

each to be awarded, 8 for the Shimoga District and 4 for each district, Hassan, Kadur and Chitaldrug.

(6) Freeships to be fixed at 33 per cent according to ordinance 71 (inclusive of freeships enjoyed by holders of scholarships).

(7) Mahommedan and Pallegar scholarships &c., to be continued as at present.

(8) For a period of five years, all lady students in colleges to receive scholarships at Rs.20/-a month for 12 months.

M. B. All scholarships awarded under rule 3 above to be given for a year at a time.
